

GYROPALM VIMPAACT

Vuzix Blade™ AR Glasses

GyroPalm Encore™ Wearable

Contextual-based Gesture Abstraction

NDC: 12345-123-01
 Rollnum: 123456
 Mfg. ID: 12345
 Status: In Development
 Motor Name: S08 (6.0mm)
 Comments: In-situ measurement of enzymatic clearance

Model: LRS
 Status: Operational
 Job ID: 123456
 Process: Batch 238
 Actions: [Start/Stop/Reset]

Virtual Interfaces for Gesture Controlled AR accessible AI powered robotic systems

In collaboration with **PURDUE UNIVERSITY** **NSF** National Science Foundation

GyroPalm Spectrum

ROS
Robot Operating System

A subset of VIMPAACT dedicated towards computer vision, ROS, and remote image streaming

GyroPalm OmniBot

ELIANCES

OMNIBOT™
by GyroPalm

- Bluetooth Audio
- 2.45 GHz Wi-Fi
- High Quality Low Latency
- Gesture Driven Pointed Tech

Be two places at once using GyroPalm's Telepresence as a Service

GyroPalm Realtime & Central

GyroPalm Realtime Server

A secure webconsole portal for bi-directional communication between GyroPalm devices and computers.

Overview

Protocol Info

High Performance Cloud services for all GyroPalm connected products and APIs

GyroPalm Perform

Control Anywhere™
Wear & Interact
All-in-one device!

Replace your PC remotes using an Encore wearable

GyroPalm SmartHome Control

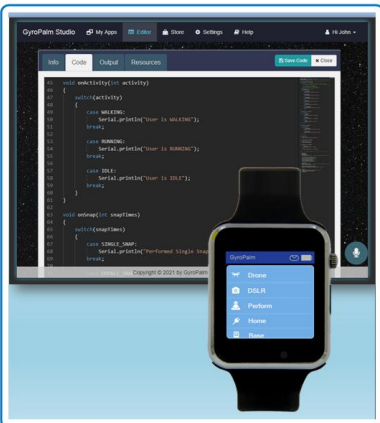

Performance-Driven Wearables for the Industry

Customizable Gesture Control • Universal Interfaces • Hands-Free Interaction

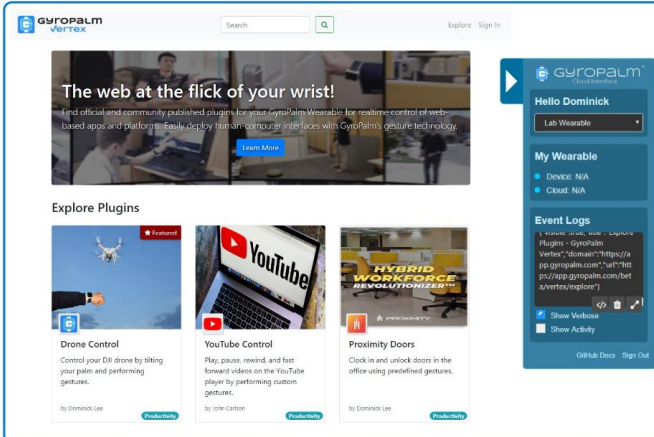

Control IoT devices such as cameras, phones, smarthome appliances, etc at the flick of your wrist

GyroPalm Studio

Cloud-based IDE for GyroPalm Developers
 Provided with GyroPalm Developer Kits (DK2) for STEM educators and students.

GyroPalm Vertex

The web at the flick of your wrist!

Explore Plugins

- Drone Control
- YouTube Control
- Proximity Doors

Open-Source App store for Gesture Controlled Cloud/Web Apps
 Companion for GyroPalm Javascript SDK that connects GyroPalm wearables globally

GyroPalm DAW

Extend your creativity with every expression.

Gesture-enabled MIDI solutions and wireless controls for DMX lighting and video professionals
 Includes features for OBS Studio and Zoom users
